PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The governing bodies of the affected County Sanitation Districts (Districts) and the respective taxing entities have adopted the attached Joint Resolutions based on the negotiated exchange of property tax revenue related to the proposed annexations to the Districts.

In order for the Local Agency Formation Commission (LAFCO) for the County of Los Angeles to proceed with the required hearings on the proposed annexations, your Board, on behalf of the County General Fund, Public Library, Consolidated Fire Protection District, Road District No. 4, Flood Control District, and Lighting Maintenance District No. 10006, must also adopt the attached Joint Resolutions.

The proposed annexations involve residential, vacant, and commercial parcels for which there is no other local agency able to provide off-site sewage disposal services. The annexations will allow property owners in the affected territories to obtain off-site sewage disposal services from the Districts by connecting their properties to existing sewer lines. Currently, the only option available to property owners is to construct private septic systems. In each annexation application submitted to LAFCO, all of the owners of real properties within the territories proposed to be annexed have requested, in writing, that their properties be annexed to the respective County Sanitation District.

FISCAL IMPACT/FINANCING

There is no base transfer of property taxes associated with these annexations. If the annexations are approved, the adopted resolutions will transfer a portion of the annual property tax increment attributable to the annexation areas from the County and the other affected taxing entities to the affected Districts commencing with Fiscal Year 2012-13, or the fiscal year after the effective date(s) of the annexations, if later.

The territories being annexed are located as follows: No. 2-56 is within the City of Norwalk, 14-411 is within the City of Palmdale, 21-726 is within the Cities of Diamond Bar, Industry, and Walnut, 21-730 is within the City of Claremont, 21-735 is within the City of Diamond Bar, 22-410 and 22-415 are within the City of San Dimas, 22-412 is within the City of La Verne, 22-413 is within the City of Glendora, SCV-331, SCV-1054, SCV-1055, SCV-1056, and SCV-1057 are within the City of Santa Clarita, and 15-275 is within unincorporated Hacienda Heights.

The territories being annexed and their impact to the County's share of incremental property taxes for future years are reflected in Attachment A. Each of the affected agencies' shares of the annual property tax increment will be adjusted accordingly. Annexation No. 21-726 includes some territory that is located in the City of Walnut Improvement Redevelopment Project Area (RPA). As such, County Sanitation District No. 21 will not receive the negotiated share of the annual tax increment in the respective Tax Rate Area until such time that the affected RPA is terminated.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to Part 3, Division 3, Title 5 of the California Government Code, commencing with Section 56000, the affected Districts adopted resolutions and filed applications with LAFCO to initiate proceedings for annexation of territory to the Districts.

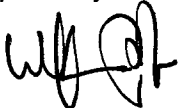

Section 99 of the Revenue and Taxation Code (R&T Code) requires that prior to the effective date of any jurisdictional change, the governing bodies of all agencies whose service area or service responsibilities will be altered by such change, must negotiate a reallocation of property tax revenue between the affected agencies, and approve and accept such reallocation by resolution. The Districts and the other independent taxing entities have adopted negotiated Joint Resolutions for the subject annexations, as required by Section 99 of the R&T Code. Adoption of the Joint Resolutions by your Board will allow LAFCO to schedule the required public hearings on the proposed annexations. LAFCO will subsequently take action to approve, approve with changes, or disapprove the proposals for annexation.

The Joint Resolutions have been approved as to form by County Counsel.

CONCLUSION

At such time as the recommendation is approved by your Board, please return one copy of this letter and one of each of the original Resolutions to LAFCO, one copy of the letter and a copy of each of the Resolutions to the Chief Executive Office, Office of Unincorporated Area Services, and one copy of the letter and each of the Resolutions to the Auditor-Controller, Tax Division.

Respectfully submitted,

APPROVING AND ACCEPTING NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 2.

“ANNEXATION NO. 56”

WHEREAS, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

WHEREAS, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 2 entitled *Annexation No. 56*;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The negotiated exchange of property tax revenues resulting from the annexation of territory to County Sanitation District No. 2 in the annexation entitled *Annexation No. 56* is approved and accepted.

2. For each fiscal year commencing on and after July 1, 2011, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 2 a total of 0.5979701 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 56* as shown on the attached Worksheet.

3. No additional transfer of property tax revenues shall be made from any other taxing agencies to County Sanitation District No. 2 as a result of annexation entitled *Annexation No. 56*.

4. No transfer of property tax increments from properties within a community redevelopment project, which are legally committed to a Community Redevelopment Agency, shall be made during the period that such tax increment is legally committed for repayment of the redevelopment project costs.

5. If at any time after the effective date of this resolution, the calculations used herein to determine initial property tax transfers or the data used to perform those calculations are found to be incorrect thus producing an improper or inaccurate property tax transfer, the property tax transfer shall be recalculated and the corrected transfer shall be implemented for the next fiscal year, and any amounts of property tax received in excess of that which is proper shall be refunded to the appropriate agency.

The foregoing resolution was on the 7th day of February, 2012, adopted by the Board of Supervisors of the County of Los Angeles and ex officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 14.

“ANNEXATION NO. 411”

WHEREAS, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

WHEREAS, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 14 entitled *Annexation No. 411*;

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

APPROVING AND ACCEPTING NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
RESULTING FROM ANNEXATION TO COUNTY SANITATION DISTRICT NO. 15.

“ANNEXATION NO. 275”

WHEREAS, pursuant to Section 99 and 99.01 of the Revenue and Taxation Code, prior to the effective date of any jurisdictional change which will result in a special district providing a new service, the governing bodies of all local agencies that receive an apportionment of the property tax from the area must determine the amount of property tax revenues from the annual tax increment to be exchanged between the affected agencies and approve and accept the negotiated exchange of property tax revenues by resolution; and

WHEREAS, the governing bodies of the agencies signatory hereto have made determinations of the amount of property tax revenues from the annual tax increments to be exchanged as a result of the annexation to County Sanitation District No. 15 entitled *Annexation No. 275*;

2. For each fiscal year commencing on and after July 1, 2011, or after the effective date of this jurisdictional change, whichever is later, the County Auditor shall transfer to County Sanitation District No. 15 a total of 0.6176608 percent of the annual tax increment attributable to the land area encompassed within *Annexation No. 275* as shown on the attached Worksheet.
